

FLAG FOOTBALL

This league is focused on providing players fundamentals and skill development. They will learn offense and defense, running plays, passing, hand off, defensive positioning and “tackling”. Tackling consist of pulling the flag off of their opponent’s belt. Players will be place into age divisions or mixed depending on numbers, with teams consisting of five or six players on the field.

There will be two weeks of practice before games. Practices will begin the week of August 27th and the first games will be the week of September 10th.
