Veteran's Brunch

In 1918, on the 11th hour of the 11th day of the 11th month, an armistice, or temporary cessation of hostilities, was declared between the Allied nations and Germany in World War I, (known as the Great War"). In many countries it was Armistice Day, but it didn't become a federal holiday until 1938 in the United States. In the aftermath of World War II and the Korean War, Armistice Day became legally known as Veterans Day.

For all those Veterans and their family and friends, please join us for a Veteran's Brunch at City Hall on **Friday, November 10th at 9:00–11:00 a.m.** to honor American veterans of all wars as they have dedicated their lives for serving our country.

Softball Tournaments

With the leaves changing colors, and colder weather, our 2017 Softball tournament season has come to an end. Our ball fields saw over 271 teams and 577 games. We are pleased with the turnout we received this season and appreciate the cooperation of the local businesses in the area; as these tournaments provide economic stability to the community. The 2017 season was a success and we look forward to our 2018 season starting in early Spring.

Volunteer Opportunities

We are always looking for volunteers to help with events and activities that take place in the community and for our youth programs. If you or an organization need community service or volunteer hours, get in contact with City Hall at 517-645-7641 and we will be able to direct you to events and programs that are looking for volunteers. Volunteers like William B., Jeremy F., Cory K., Ryan L. and Nick W. As they dedicated their time to providing the youth of today and the community with sportsmanship, character and skill levels during the Flag Football season. We are building our programs and future athletes because of you.
