**11. PLANNING COMMISSION DECISIONS**

Before making a decision on a special land use permit application, the planning commission shall establish, beyond a reasonable doubt, that the following general standards, as well as the specific standards outlined in each applicable section of the article, shall be satisfied.

The planning commission shall find adequate evidence that each use on its proposed location will:

1. Be harmonious with and in accordance with the general principles and objective of the Master Plan for the City of Pottersville.
2. Be designed, constructed, operated, and maintained so as to be harmonious and appropriate in appearance with the existing or intended character of the general vicinity and that a use will not change the essential character of the area in which it is proposed.
3. Not be hazardous or disturbing to existing or future uses in the same general vicinity and will be a substantial improvement to property in the immediate vicinity and to the community as a whole.
4. Be served adequately by essential public facilities and services, such as highways, streets, police, fire protection, drainage structures, refuse disposal, water and sewage facilities, and schools.
5. Not involve uses, activities, processes, materials, equipment, or conditions of operation that will be detrimental to any person, property, or general welfare by reason of excessive production of traffic, noise, smoke, fumes, glare, or odors.
6. Be consistent with the intent and purposes of the zoning district in which it is proposed.
