Fire Prevention Week: Every Second Counts
Open House

Seconds can mean the difference between residents of our community escaping safely from a fire or having their lives end in tragedy. The Great Chicago Fire, that killed more than 250 people, left 100,000 homeless, destroyed more than 17,400 structures; and burned more than 2,000 acres on October 8th and 9th, 1871. This week marks the 146 anniversary of the Fire Marshals Association of North America (known as the International Fire Marshals Association), decision to use this event to raise awareness about the importance of fire prevention.

The City of Potterville invites you to join us to celebrate our Fire Department's fifth year and recognize Fire Prevention Week. Located behind City Hall, an Open House will be held on Friday, October 13, 2017 from 6:00-8:00 pm where food, fun and educational resources will be provided.
